## Annual Church Picnic/GLA Preschool Sunday

High Street UMC had our combined Annual Church Picnic and GLA Sunday on September 13 at the Bronco Club. While the day started off with rain, by 10 AM the sun was shining! We enjoyed worship, singing, Fellowship and a delish covered dish luncheon. Please enjoy the photos taken by **Bill Billings.**

Sunday, August 30 was our last LEMONADE ON THE LAWN for the summer. Friends enjoyed fellowshipping over a cup of lemonade and assortment of cookies. Thank you to the United Methodist Women who hosted the gathering.

On August 29th members of Boykins, Drewryville, Grace Memorial and Newsoms United Methodist Churches joined with members of High Street UMC in their fellowship hall to put a tiny dent in the world's struggle with hunger. 19,000 meals were packed and sealed in plastic bags to be sent to one of approximately 21 countries across our world which the non-profit organization, **Rise Against Hunger,** supports. Over 70 church and community members joined together to pack dried meals consisting of rice, beans, vegetables, vitamins and protein powder. Participants raised $7800 for the opportunity to share food with underserved and impoverished areas of our world. **Rise Against Hunger** (formerly known as Stop Hunger Now), has a long history whose goal is to reach 17 million people with food assistance each year. Over 673 million people face hunger daily in our world, and 2.3 billion people are considered food insecure. This is the third time that High Street United Methodist Church has hosted this event and other churches in our community have participated in this food packing ministry. This year packers ranged in age from 10 to 92! There was great fun in this experience for all with great music, cheering and laughter, but the best part was that we all were working together to try and make a difference in the lives of those who don't have enough good, healthy food to eat on a daily basis.

Thank you to **Bill Billings** for the great action shots!!

## Rooted and Growing

*"As you therefore have received Christ Jesus the Lord, continue to live your lives in him, rooted and built up in him…" — Colossians 2:6–7*

October brings visible change. Leaves turn brilliant colors and then fall. Days grow shorter. Temperatures begin to cool. The landscape reminds us that one season is giving way to another.

But there is something important happening that we cannot see. Even as trees lose their leaves, their roots remain firmly planted beneath the surface. What looks like loss above ground does not mean that growth has stopped below it.

I think this is an apt analogy for our spiritual lives.

I like that phrase, "rooted and built up in him [Christ]." Healthy disciples begin growing below the surface; most plants do too. Roots gather and hold nutrients, and when the time is right, they initiate visible growth in the plant above ground. So it is with growing as Christian disciples. Before faith becomes visible in our daily living—in how we live, serve, give, forgive, and love—it begins with a deeply rooted relationship with God through Christ Jesus.

The fertilizer that helps our spiritual roots thrive is pretty ordinary, and it comes in several forms. These forms are often called spiritual practices and include regular habits like worshiping, reading Scripture, praying, listening to God, "doing life" with other Christians, and serving others. None of these practices are very flashy. But over time, they nurture and anchor our lives in Christ.

Why is it important to keep fertilizing these roots? Because there's always another season around the corner. Sometimes the changing seasons of life bring excitement and new opportunities. Other times they bring uncertainty, disappointment, or loss. We can't always choose the season, but we can strengthen the roots that help us remain faithful as seasons change.

Please allow me to close with a simple call to action for you: choose one spiritual practice you would like to strengthen this month . Maybe it's prayer, Scripture reading, worship, serving, or intentionally connecting with other Christians. You don't have to change everything at once. Just choose one practice and give it some deliberate attention.

Deep roots in Christ prepare us for whatever season comes next.

Mission News

As we move into fall, the Mission Team is getting ready for a few busy months. We hope that you can find a project or two that you're interested in and join us.

On Friday, October 16th at 9:00 a.m., we will gather to prepare another one of our "Meals for Shut-ins" and others who might benefit from a nice meal. Brent Gayle will be leading us in cooking chicken and dumplings with cornbread and a dessert. After the meals are prepared we will deliver them to those in need. We should finish around 12:00 noon. Please let us know if you know of someone in our church family or neighbors who we can deliver to.

S.P. Morton Elementary School in Franklin is participating in the Foodbank of Southeastern Virginia's Backpack Program. We are going to support 25 food insecure children who attend this school. With our help they will be able to receive food twice a month to take home and share with their families. This is the same program that we used to support for many years where we actually packed the food and delivered it to the school. The Foodbank in Norfolk has changed the way they handle this program, but we are still helping out financially. If you want to sponsor one child you may make a donation of $110, or you may make a donation of any amount. Please make sure that your donation is marked for the Backpack Program.

Many thanks to the 75 people who participated in our "Rise Against Hunger" event on August 29th in our fellowship hall. It was a great day as we worked side-by-side with 4 other churches ( Newsoms, Boykins, Drewryville and Grace Memorial UMCs) to surpass our goal. We packed 19,008 meals and raised $7800 to feed the hungry in an area of extreme poverty in our world.

Mike Ponder is going to be looking into how we can get involved with the new home that is going to be built in Franklin as a part of "Habitat for Humanity". We'll hopefully have more news about that soon.

"Volunteer Day" at our local Foodbank on South Street, is Tuesday, October 27, from 9am-3:30pm. We are challenging our congregation to sign up for a few hours to help with various duties there. We are asking that you bring a non-perishable food item or two when you come. Check out the sign-up sheet on the round table in the narthex or call the church office to sign up. (757-562-3367)

We will decide soon the details for our Thanksgiving Food Collection coming up in late October and November. More news to follow.

Our next Mission Team meeting is on Wednesday, October 14th, at 5:30 in the church library. All are welcome to join us.

Any questions or suggestions,
please call **Ruthie Ponder** (757-620-9142)

Creating a Culture of Renewal (CCR) HSUMC

**Creating a Culture of Renewal Update- October 2026**

For the past several months, your CCR Team of Leaders has been learning more about ourselves and our congregation as we prepare High Street for renewal. One helpful tool has been the DiSC assessment which describes four primary way (styles) of working with others. D (Dominance) tends to be direct, decisive, and results-focused; i (Influence) is outgoing, enthusiastic, and people-focused; S (Steadiness) is patient, dependable, and harmony-focused; and C (Conscientiousness) is careful, analytical, and quality-focused. Most people and groups reflect a blend of these styles, usually with one or two being more prominent.

Our team believes the culture of our church most closely resembles the S style. Because most often our working together values stability, cooperation, relationships, and a consistent pace. The culture of our congregational life can easily be described as warm, patient, dependable, and deeply motivated by serving others and maintaining harmony. We tend to value clear plans, steady progress, trust, and loyalty. Those are significant strengths! At the same time, an S culture can find rapid change, unclear direction, conflict, or quick, bold decisions to be quite stressful.

What do you think? Does this description sound like High Street? Please let me know. Text, call, or stop by during Pastor Pop-In Hours (Mondays, 11:00–1:30.)

The purpose of your CCR Team of leaders is to prepare our congregation for renewal. We've been meeting most every month since January and we are: Cara Butler, Susan Dow, Jane Fries, Jim Jervey, Mike Ponder, Jimmy Strozier, Pastor Hank Teague, Todd Turner, Kathy Worrell, and Jim Yarborough. On September 23, we concluded and celebrated our work together. Please join me in thanking them for their service.

Some members may transition to a new Vision Team which begins its work in January. If dreaming about what God has in store for High Street excites you, let me know, I'd be glad to share more about serving on the vision team!

- **Pastor Hank**

### Mission Book Drive

The Mission Team recently allocated some funds to purchase some children's books for the Franklin Cooperative Ministry. They have started a new project where they give away a book to each child who comes into FCM with an adult who needs assistance of some sort. We will continue to collect new or very gently used children's books at church to give to this project, so that all children can have books at home and be read to.

### Youth Rally

Some of our youth participated in a YOUTH RALLY on Saturday, August 22. There were youth from various churches throughout the county who came together for

The Franklin Cooperative Ministry is collecting children's books (new or very gently used) to hand out to the children who come into the FCM with their parents or other caregivers.

Book donations can be left in marked boxes/baskets in the narthex or the church office. Thank you!!!

Several HSUMC members are already taking advantage of the easy convenience of online E-Tithing and Online Giving—if you have access to online banking, you can set up your monthly offering to automatically be sent to High Street UMC. Instead of writing checks, just set up the amount, and the date to send it in (making sure to put your name or envelope number in the memo line) and your bank takes care of the rest! For your convenience, the church's mailing address is: ***High Street United Methodist Church, P.O. Box 218, Franklin, VA 23851.*** If you would like to pay offering or pledges by credit or debit card, go to our website at: www.highstreetumcva.com and click on the *Online Giving* link. Please feel free to contact Jennifer in the church office on Mondays and Thursdays, 8:30am to 12-noon, if you have any questions.

**Pledge Giving for 2027**

This year continues to find us a busy church, which is wonderful! We are together for worship at both services, and our online worship service continues to be viewed by many. We continue to reach folks that might not attend High Street UMC, and some in different places across our great country! Sunday School classes are popular and we had another amazing Vacation Bible School this summer! We helped with many different mission endeavors! It has been wonderful to see! Your generosity and continued financial support in 2026 has been heartwarming! Thank you!

We are making every effort to be The Church in our community and beyond. Looking forward to 2027, we want to continue to have more fun and meaningful activities, and we will continue with the popular online service as well. With the positive response to handling stewardship and pledging campaign this way, we are asking you to take the time to be in prayer about how you can continue your support or possibly increase (as you are able) your support of our church in 2027 with your pledges of financial support and your gifts of time and talents. You will find a pledge card here and you may send it back to me in the mail (P.O. Box 218, Franklin, VA 23851), drop it by the church office, scan and email it to me at hsumcfinancialsecretary@gmail.com, or place in an envelope (for privacy) in the offering plate. Please try to return these cards by the end of October. Also, take time to consider other ways you can use your time and talents to support High Street UMC. There are many Lay Minister & small group volunteer opportunities available.

Thank you for your help in making sure that High Street UMC can continue to be the warm, loving church family that we are, and that we can continue to be a beacon of hope and love in our community and beyond!

Grace and Peace,

**Jennifer Carter Stephenson**, Financial Secretary
